

## **Dr. Ronald Pschierer**

*Programme Manager*

As a DMAN programme manager, Dr. Ronald Pschierer is responsible for the conception and coordination of qualification programmes as part of the BMWi Manager Training Programme that makes managers from Asia, Eastern Europe, North Africa and Latin America "Fit for Partnership with Germany".

### **Competencies**

Qualification concepts, project management, intercultural management, marketing and sales, work experience in multi-cultural environments, networking, organisation and support of politically guided business delegation trips.

### **Professional background**

Ronald Pschierer has sound experience in the qualification of adults. With renowned German companies, associations and training providers, he held marketing, sales and project management positions in Germany and abroad. For the federal state of Lower Saxony, he managed and coordinated foreign trade promotion activities in the states of the former Soviet Union.

Ronald Pschierer studied history in Russia and worked at the University of Leipzig, where he graduated to acquire his PhD. Many stays in Azerbaijan, Armenia, the Baltic States, China, Georgia, India, Kazakhstan, Kyrgyzstan, Mongolia, Russia, Uzbekistan, Ukraine and Vietnam provided him with international expertise and cross-cultural experience.

### **Languages**

German, Russian, English.
